

## Funny Baby Salad for 4 persons

### **INGREDIENTS**

- 6 black cherry tomatoes
- 6 yellow cherry tomatoes
- 6 red cherry tomatoes
- 80 gr. baby sprouts
- 2 red sweet snack peppers
- 2 orange sweet snack peppery
- 2 Yellow sweet snack peppers
- Fresh cheese or to taste
- 100 g peeled walnuts.

### **Preparation**

Preparing the Funny Baby salad is not only quick and easy but also a lot of fun if you prepare it with the little ones in the house. First of all, wash all the ingredients and put them on a separate plate. Then, on a large, flat plate, place a base of tender sprouts. Then cut the mini coloured peppers and tomatoes into small pieces. We will add them on top of the sprouts, and once they are in place, we can add some cheese to taste. It can be fresh cheese, mozzarella or feta, always respecting the taste of the kids. Finally, chop some walnuts and sprinkle them on top of the salad, season with extra virgin olive oil and salt. Et voilà...let's enjoy!
